

Let Us Grow in Grace and Wisdom

For Grace Lutheran School

1. In your mer - cy, Lord, you've blessed us, In our homes and church and school,
2. We are hun - gry, Lord, for know - ledge As our minds and bo - dies grow.
3. Though your care, O Lord, sur - rounds us, It is hard for us to see
4. Grant us bles - sings of your Spir - it: Pa - tience, kind - ness, self - con - trol,

Giv - en food and clothes and shel - ter, Par - ents, friends, and teach - ers, too.
In the world that you've cre - a - ted There is al - ways more to know.
Since so ma - ny things can blind us To the truth that sets us free.
O - pen hearts and joy - ful spir - its, Gen - er - ous and peace - ful souls.

Yet we ask a - noth - er bless - ing As we gath - er in this place,
In our stud - ies and our learn - ing Grant us grace to re - a - lize
Grant us grace to sense your pre - sence In a neigh - bor's tear - ful face.
We re - ly on you to guide us, As your will on earth is done.

Grant us grace to grow in wis - dom. Grant us wis - dom to see grace.
That you are the one who made us And that you a - lone are wise.
Grant us wis - dom to show mer - cy As your Son has shown us grace.
Let us grow in grace and wis - dom, Trust - ing in your per - fect love.
